DHASHBOARD

The screenshot displays the IBM Cloud Dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account (AMMINENT HAAREESH...). Below the navigation bar, the main content area is titled 'Dashboard' and features a 'For you' section with several recommended resources. These include 'Build' (a collection of easy starter tutorials), 'Build a web app with Watson Speech to Text', 'Get Started with Watson Studio', 'IBM Watson Knowledge Catalog', 'Build a Virtual Private Cloud (VPC)', and 'App Connect'. Each resource card provides a brief description, a 'Getting started' button, and a time estimate. Below the 'For you' section, there are four more panels: 'News' (with links to recent announcements), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status' (showing a world map). The interface is clean and modern, with a dark theme and clear typography.
